organized and hosted by **University of Ruse "Angel Kanchev", BULGARIA**

5th March, 2021

University of **Ruse "Angel Kanchev"** invites you to the 2nd Multiplier Event **"Stepping-up Responsible Education through Innovative Curricula on Citizenship and Sustainable Business Development"** organized through the ERASMUS+ project **2019-1-RO01-KA203-063059** with the title „*Stepping-up and promoting Education & Innovation toward Sustainable Development Goals (SDGs) through Educational Laboratory for Accelerating civic Skills and sustainable Businesses – EduLab4Future*“, that will taking place on **March 5th, 2021**, at the Second building of the University of Ruse “Angel Kanchev”

The event is based on dissemination of intellectual output **IO2. Joint Learning Framework with innovative pedagogical approach on Citizenship & Sustainable Businesses education** with excerpts from **IO2/A1 Learning framework for blended-learning and e-learning** - as reinforced response of education to the main challenges of today’s world with particular concern to active citizenship, democratic values, social inclusion and sustainable growth.

The event fertilizes local enterprises, representatives from education and training, and socio-economic sectors with novelty perspectives on sustainability and innovation which increase the quality of education through a better use of digital technology.

You will have the opportunity to participate in interesting debates and good practices exchange held during two sessions:

- Opening session: " UN Sustainable Development Goals (SDGs): SDG#4. Quality education";
- Working sessions: "The strategic role of the education system to secure inclusive society and sustainable growth" and "pedagogical approaches for blended learning and educational components on Sustainable Development Goals (SDGs)".

The event will take place on Tuesday, **5th March 2021**, between 9.30 to 17 in hall 2.203 and 2.204 at the Second building of the University of Ruse “Angel Kanchev” considering all preventive measures for COVID 19 spread limitations.

You are welcome!
