

INVITATION

3rd Multiplier Event

Innovation through Digital Technology toward sustainable Business Education and active Citizenship

organized and hosted via **on-line format** by University of Lodz, Poland

28th September, 2021

We invite practitioners from business and local labour market (enterprises, civil society organizations, public administrations and/or governmental entities) and representatives from education and training sectors to take part in the event "*Innovation through Digital Technology toward sustainable Business Education and active Citizenship*", organized through the ERASMUS+ project 2019-1-RO01-KA203-063059, with the title „*Stepping-up and promoting Education & Innovation toward Sustainable Development Goals (SDGs) through Educational Laboratory for Accelerating civic Skills and sustainable Businesses – EduLab4Future*”.

The 3rd multiplier event is organized by the University of Lodz, and will be carry out via on-line format (MS Teams Meeting Chanel), creating the platform for disseminating knowledge on Citizenship & Sustainable Business Education (IO3) by pooling of synergies between participants from education and training, labour market, business and the community.

The event puts the thematic focus on the role of ICT-based teaching and learning in education for sustainable business, disseminating the knowledge within intellectual output **O3. Innovative Learning Container with augmented knowledge and cross-disciplinary modules on citizenship & sustainable business education**. You will have the opportunity to participate in interesting debates and good practices exchange held during two sessions:

- Opening session: The role of digital education for sustainable development;
- Working session: How to teach about sustainability

The event will be carry out on **Tuesday, 28th September 2021**, between **16.30 to 19.30** via **on-line format MS Teams Chanel Meeting** based on ***dedicated invitation to login to the event***. Event language: Polish.

In this regard, we kindly ask you to firstly enrol to the 3rd multiplier Event and fill in the **Enrolment Form** available on project site <https://edulab4future.eu/index.php/e3-enrollment-registration/> and clearly mention your name, office email address, employer's name and address.

You are welcome!
